

Economy-News Baden 4.0

In collaboration with the business news service Café Europe, Wirtschafts-News Baden 4.0 provides the latest news about Baden 4.0, its partners and Baden as a business location with four key sectors: [high-tech energy](#), [industry-related ICT](#), [medical technology](#) and [health/wellness](#).

The news appears not only on the [website of the city of Baden](#), but also on various screens of partners with a wide reach, such as on the RVBW buses, in the Konnex office building in Baden Nord, in Baden Cantonal Hospital or in the Trafo Hotel. The offer is constantly being expanded and strengthens public awareness of the Baden 4.0 initiative.
