Transferring a foreign driving licence

Valid foreign driving licences may only be used in Switzerland for a maximum of 12 months (starting from the date of entry). After this year is over, the foreign driving licence may no longer be used in Switzerland. The application for the transfer of foreign driving licences can be filled in and downloaded directly from the Strassenverkehrsamt (Road Traffic Office) website: www.stva.ag.ch

Professional drivers (e.g. lorry drivers) who want to drive registered motor vehicles in the categories B, B1, C, C1, D, D1 or F must obtain a Swiss driving licence in the appropriate category before beginning the first professional trip.

You can find other requirements for obtaining a Swiss driving licence at www.stva.ag.ch.
