

Stay informed

Would you like to get an overview of the news on the local economy as well as the industry focus on high-tech energy, ICT, medical technology and health?

LinkedIn:

Follow the focus page "Business Location Baden" - [LinkedIn](#)

Newsletters by post for companies in Baden:

As a local business, you will receive the company newsletter from the Contact Point for Economy Baden three times a year by regular post. It contains useful information about business activities, networking and Baden as a business location and invites you personally to the city's business events.

If you have not yet received the newsletter by post, you can register for it with Location Promotion by entering the following contact details*. We will gladly add you to the mailing list.
